
Crystal Reports 2011 Sp2 Product Key Code

The image shows a screenshot of the Remote Desktop Connection dialog box in Windows. The 'Logon settings' tab is selected, and the 'Computer' field contains the text 'Example: computer.fabrikam.com'. The 'User name' field is empty. Below the fields, there is a note: 'The computer name field is blank. Enter a full remote computer name.' The 'Connection settings' section is partially visible at the bottom.

General | Display | Local Resources | Programs | Experience | Advanced

Logon settings

Enter the name of the remote computer.

Computer:

User name:

The computer name field is blank. Enter a full remote computer name.

Connection settings

Save the current connection settings to an RDP file or open a saved connection.
