Yu-Gi-Oh!: The Movie "Pyramid of Light" (2004). PG | 90 min | cartoon, thriller, adventure. 5.0. The plot is based on the story of how a group of college students, led by a brave fighter named Tadashi and his friend Tatsumi, go in search of a mysterious talisman. But in the end, things don't turn out as expected. In principle, there is nothing new to say about this cartoon. If you watched the anime "Yu-gi-go: The Emperor's Path", then everything will be clear to you. In principle, this film can be seen for the first time. I can not say that the cartoon is bad. Still, for an anime, it's not bad.
